AZ Dept of Education – Fraud Alert

The Arizona Department of Education has received a number of complaints from constituents who have been the recipients of unsolicited calls or visits from businesses selling educational software and other materials.

Representatives of these businesses have claimed to be affiliated with the "Department of Education" and further claim to be in possession of student level data including name, home address, test scores and other miscellaneous information items.

Student level data of the type described above is protected under law and the Arizona Department of Education vigorously protects the privacy of student information through multiple security measures. The ADE does not, under any circumstance, provide student level data without a court ordered subpoena.

The Arizona Department of Education does not provide endorsements for any commercial purpose. Therefore, any commercial entity that claims to represent the Arizona Department of Education or possesses proprietary information in violation of the law is engaging in deceptive business practices and consumers are advised to avoid them.

Parents with questions or concerns are encouraged to contact their local schools to verify the validity of such claims. In addition, families who feel they may be a victim of consumer fraud may contact the Office of the Attorney General, Consumer Information and Complaints at 602-542-5763, 520-628-6504, or 800-352-8431.

We are at the end of Term II and students are preparing for Final Exams. Your child was given two revision packets, one to leave at school and one to take home to study if you have not seen this packet please ask your child where it is. The revision packet contains all of the material that can be tested for Term II. If the information is not in the packet, then it cannot be on the final exam. Another great study tool is your child's Term II Periodic Exams, all of which have been corrected and returned to your student. There is also a Final Exam Schedule attached to the Revision Packet. The schedule will help you and your child prioritize which class needs to be studied for to help prepare for the next day's exams.

On Thursday, March 13th students will have an early release day with students being sent home at 12:30. The school will be on Spring Break until classes resume at 8:00 on Tuesday, March 25th when Term III will begin.

Friday, February 22nd was a fun-filled learning experience for all of the kids who participated in our Read-A-Thon. Many books were read, many AR quizzes were passed, and through it all, parents and students had a ball. Special thanks to Parent Connection for providing the wonderful snacks, as well as to Mr. Henry, Mrs. Hugo (the Lower School Accelerated Reader representative), and all of teachers who volunteered their time to help our kids improve their reading skills and have fun doing it.

SLO™ Activities urges students in grades 3-8 to participate in the Term II Power Study Session on Saturday, March 8th from 10:00 a.m. to 1:00 p.m. This is a perfect chance to get the help you need before End-of-Term Finals. "You will not fail in peace!" SLO™ Lower School would like to congratulate all of our avid readers who participated in the SLO™ Read-A-Thon. Please encourage your son or daughter to strive to meet their Accelerated Reader Goals.

The SLO™ Talent Show is Friday, March 28th if you would like to share their special talents or abilities. Start practicing now. The only place where success comes before work is in the dictionary. SLO™ Sports would like to invite students in grades 5-8 to try out for this year's Junior High Soccer Team. Tryouts will begin on Thursday, March 6th
