SLO™ Academics sends a **huge thank you** to all of our teachers who helped with the SLO™ Term II Power Study Session Wednesday. Please ensure that your child buckles down on their studies to ace the remainder of their Term II Final Exams.

The SLO™ Yearbook is becoming an endangered species. Make sure to get your copy of this year’s edition before it’s too late. You may make a \$5 deposit on your yearbook or pay the full \$21 to the front desk. Don’t be left without one!

SLO™ Outreach would like to express their gratitude to all of our St. Joseph the Worker, Hike for the Homeless Sponsors. With your help we raised over \$650 dollars for the valley’s homeless. Our students will be hiking at Estrella Mountain Regional Park tomorrow morning at 9:00 a.m.

The SABIS Student Life Organization® would like to challenge our school community to solve the following word jumble. DIRECTOR’S MESSAGE

We are at the end of Term II and finals have begun. It is very important that students are prepared in every way possible. These exams will determine, in part, if they will be promoted to the next grade. A few suggestions are as follows:

1. Get a good night’s rest.
2. Get to school on time (by 7:55am would be best).
3. Eat breakfast (served 7:10-7:40 at SABIS®).
4. Study using the study guide provided.
5. Have all necessary tools including pencils and erasers.

The continued support of our SABIS® family does not go unnoticed or unappreciated. Our “Performing Plus” label by the state is proof of how successful we can be if we work together. Our goal this year is “Excelling” and together we can make that dream a reality!

Although, some families may be taking trips during Spring Break a great way to keep your child in “school mode” would be to have them read. Reading is very important and also very entertaining. Reading doesn’t have to be limited to books; magazines, newspapers and comics can also help to keep young minds interested. Thank you for your support.

Mr. Willie Henry

AQC

Your child should have brought home an exam schedule and a study guide for Term II Final Exams. Please be sure to review both and be prepared daily. It will be very important during exam week that students arrive to school on time and stay the entire day. Please be courteous to all students and schedule any necessary appointments after school or during Spring Break. Thank you for your cooperation and consideration.

Ms. Sweet & Mr. Davis
